The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Los Angeles' Colfax Ave. Pedestrian Improvement Project in Fiscal Year 2026. The entity to receive funding for this project is City of Los Angeles' Council District 2, located at 200 N. Spring St., Room 435, Los Angeles, CA 90012.

The funding would be used to fund the installation of a High-Intensity Activated Cross-Walk beacon at a busy intersection that is adjacent to the Colfax Charter Elementary School. The project is an appropriate use of taxpayer funds because it is a targeted infrastructure solution that will improve pedestrian safety for families and community members.

The project has a Federal nexus because the funding provided is for purposes authorized by title 23 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Luz Rivas".

Member of Congress
