The Honorable Tom Cole

The Honorable Rose DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Eisner Health's Van Nuys Health Center Renovations Project for Fiscal Year 2027. The entity to receive funding for this project is Eisner Health, located at 1530 S. Olive Street, Los Angeles, CA 90015.

The project funding would be used to support targeted modernization improvements at Eisner Health's Van Nuys Health Center. This project will support shovel-ready upgrades to patient waiting areas, exam rooms, and other clinical spaces within the approximately 5,000-square-foot facility to improve patient flow and care delivery.

The project is an appropriate use of taxpayer funds because improvements will enhance patient flow, improve the functionality of clinical spaces, and support the efficient delivery of primary and preventive healthcare services.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Luz M. Rivas".
