The Honorable Tom Cole  
Chairman  
House Committee on Appropriations  
Washington, DC 20515

The Honorable Rose DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Fernando Community Health Center's Clinic Renovation for Fiscal Year 2027. The entity to receive funding for this project is the San Fernando Community Health Center, located at 732 Mott Street, Suite 100/110, San Fernando, CA 91340.

The project funding would be used to renovate and expand clinical space for the expansion of clinical services and increased access to care for patients.

The project is an appropriate use of taxpayer funds because it will allow the San Fernando Community Health Center to renovate its existing facilities and make capital equipment expenses to expand services and patient access.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Luz M. Rivas".
