The Honorable Tom Cole

The Honorable Rose DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Fernando Transportation Improvement Project for Fiscal Year 2027. The entity to receive funding for this project is City of San Fernando, located at 117 N Macneil Street, San Fernando, CA 91340.

The project funding would be used to accelerate roadway resurfacing and sidewalk reconstruction along key transportation corridors serving residents, commuters, and regional traffic. This transit safety infrastructure improvement project will enhance roadway safety, repair deteriorating pavement, and improve pedestrian accessibility throughout the City of San Fernando.

The project is an appropriate use of taxpayer funds because it delivers direct mobility benefits and traffic flow relief to residents of the City of San Fernando, a transit-dependent, predominantly working-class community. The project will improve pedestrian and vehicle access to various community assets, such as healthcare providers, schools, and small businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133; (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Luz M. Rivas". The signature is written in a cursive style.
