The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, DC 20515

The Honorable Rose DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Santo Niño Health Centers Medical Equipment Modernization Project for Fiscal Year 2027. The entity to receive funding for this project is Santo Niño Health Center, located at 14427 Chase Street, Suite 100, Panorama City, CA 91402.

The project funding would be used to procure critical medical equipment for its clinic serving residents in one of the most underserved areas of Los Angeles County's CA-29 district. These equipment upgrades will allow the clinic to provide more timely and effective care to low-income families, seniors, and uninsured patients who often struggle to access basic medical services.

The project is an appropriate use of taxpayer funds because by improving diagnostic capabilities and clinical efficiency, this project will expand the clinic's capacity to serve residents of CA-29 while improving the quality and timeliness of care provided.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Luz M. Rivas".
